

SCR Accomplishments 2023

I compiled a list covering the period since our last accomplishment celebration – Fall of 2022 through Fall of 2023. There are probably things that I have missed such as WP's that I didn't attend. So, please fill in what's missing.

- Bough gather and wreath assembly WPs (Fall 2022).
- Sandwich Boards were made for WP's and trail rides.
- Trail Skills competition at Scatter Creek Stables.
- Multiple chapter camping trips.
- Flagged chapter trail rides.
- 2022 BCHW Wine Ride
 - Donna Bacon, Jane Lampi and Joan Fleming volunteered and worked checking in vehicles Friday night, and at a winery as hosts on Saturday.
- Capitol Forest:
 - Gravel grant WPs – prepared Campground Trail for winter horseback riding.
 - Margaret McKenny horse camp and trailhead cleanup WP's
 - Empty manure bins and general maintenance.
 - Built and installed two new manure bins at Margaret McKenny horse camp.
 - Equine Loop gravelling WP with Appy Club.
- JBLM
- Trail clearing while horseback riding – Laura Dell with various individuals.

- Scatter Creek:
 - Met with the SC WDFW Recreation Manager and discussed the Equine Wish List balance of tasks – some had already been completed in 2022. He will be looking into opening up trail along gravel road and reestablishing an old trail at the back on the area.
 - The property adjacent to the T90 Ranch has been purchased by WDFW and will be open to horseback riding with parking for horse trailers.
